

## TEE-ON LOGIN FOR MEMBERS

*We have noticed many members are using their old Tee-On login information or booking as a public player when booking tee times. Please be mindful to **use the new login information** that you received from us mid April 2023 and that you are using the member login portal on Tee-On, not the public booking portal.*

*The old/public login is not linked to your current membership and will not give you an accurate # of booking days based on your membership type.*

*We will be doing some system maintenance in Tee-On. If you are having any issues or need your new member login information reach out to us at [membership@watervalleygolf.ca](mailto:membership@watervalleygolf.ca).*

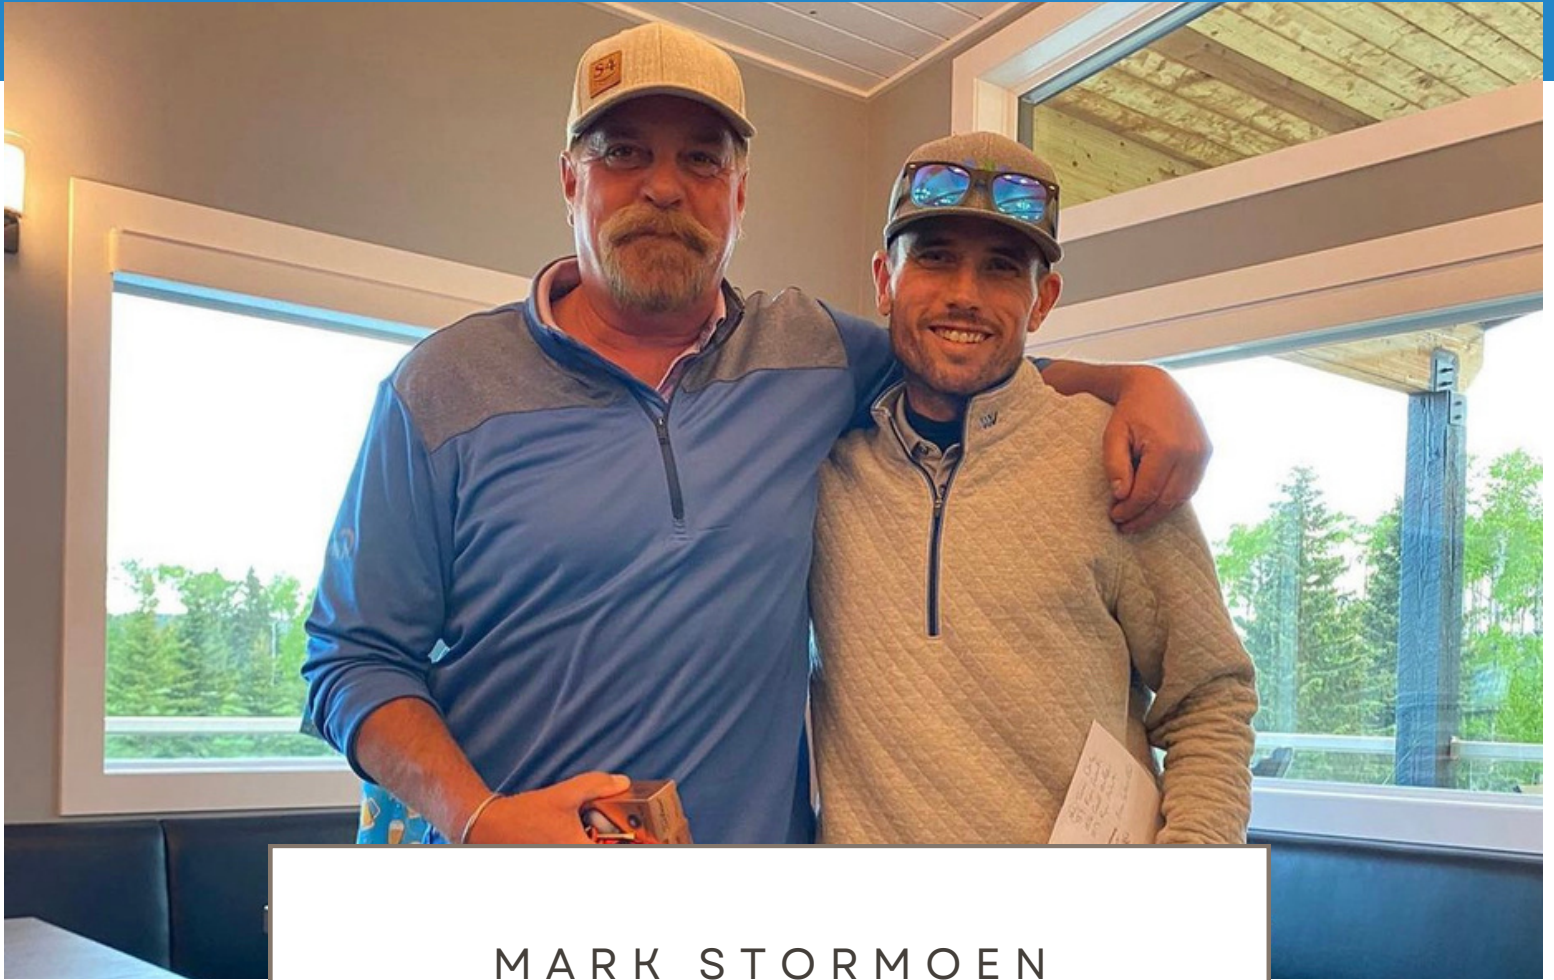

*You are able to cancel your existing tee times in Tee-On up to 12 hours in advance of your time, but if you have any issues cancelling on your own you can call us 403-637-2388.*

## COURSE CONDITIONS

*Thanks to Ross Parsons and his crew the golf course wintered great. Ross says the course is in **"great shape"**. With this warm weather we have been having the course is a lot greener than it was this time last year.*

*By now many of you have noticed the new tee boxes on 2 & 16, as well as the expansion of the bunker on hole 2. They will be ready to use soon, but for now please use the temporary tee boxes and keep off of the ground that is under repair.*

## IN MEMORY OF

## MARK STORMOEN

*Our deepest condolences go out to Mark's family (Riley, Samuel, Toni Lynn and her sister Sherri, and brother Kent with his wife Theresa) and friends. On all accounts Mark was a loved husband, father & friend. A loss like this hits a small, close knit community like Water Valley hard.*

*Mark was a longtime member at WVGC. We can attest to his love & skill for the game of golf by how many different club events he participated in and won over the years. In 2021 he won the Men's Club Championship.*

*Mark was a dedicated, hard-working and charismatic individual who had an uncanny ability to connect with people in a deep positive way. Mark was a career entrepreneur who demonstrated success in agriculture and the oil and gas industry. His true passion was ranching with his family, golfing with friends, spending time in Mexico and of course his dogs.*

*Mark will be greatly missed by his golf community here at WVGC.*

*The memorial for Mark will be held on Thursday, June 15th, 2023, at the Cochrane RanchHouse (101 Ranchhouse Rd, Cochrane, AB) from 2:00-6:00PM.*

*You can read a more about Mark here:*

## PLAY WITH A PRO

**Every Wednesday starting May 24th** you can play a round with our teaching professional Ryan Fisher at **10am**. The tee time is available to any member that would like to book in with him. Take advantage of this great opportunity to get to know Ryan better and maybe get a few complimentary tips on your golf game along the way.

*This is also a nice chance for Ryan to get to know each of you a little better and have a few laughs together.*
