

2022 SEASON WRAP UP

The six and a half months since the end of April seems to have flown by and if saying “time flies when you’re having fun” is true, then it's been a very enjoyable season on the golf course. We were certainly blessed with the weather all summer and into the fall. It was great to see Water Valley play fast and fair.

Judging by the numbers, our members turned out in their droves to play golf and our events were certainly well supported. The WV Golf Club prides itself on offering a wide range of events for all categories. Men, women, seniors, juniors, mixed and team events. Hopefully there's been something for everyone to play in.

I appreciate some people don't like change, but we need to keep evolving to keep up with changes in people's lifestyles and changes within the golf industry. Fuel and energy costs, followed by wages and food and beverage inputs created increases in operational costs, making it difficult to get the balances right. We will do our best to absorb some input costs while reducing expenses in other areas. We've included an excerpt from the NGCOA Canada May 2022 survey for your reference.

Most Significant Operating Cost Impacted

	Private Clubs	Semi-Private Clubs	Daily Fee/Resort	All Respondents
Fuel & Energy	50%	56%	57%	56%
Wages		19%	11%	13%
Food Inputs	31%	9%	16%	15%
Course Maintenance Inputs		5%	10%	7%
Insurance		2%		1%
Capital Items	19%	9%	6%	8%
	100%	100%	100%	100%

Fuel and energy costs are by far the most significant cost item across all clubs, followed at quite a distance by Food Inputs and then Wages.

We have tried some things that perhaps haven't worked, but we'll go back to the drawing board and review it, taking feedback and evidence on board to improve things for next year.

I would like to extend my thanks to all our hard-working team members. Ross Parsons and his turf-care team did an amazing job on our course. The playing conditions were pristine. Our amazing food and beverage teams headed by Kelly Cunningham up front and Connie Tolland in the kitchen creating the atmosphere and cuisine we all enjoy. The golf shop and outside services team for their timeless pursuit of excellence. Chris and Irene the Snack Shack twins and their smiling faces brighten everyone's day. Last but not least, Connie McBain-Tanner who creates our visual first impression (flowers/hanging baskets) when you drive in.

We hope you have enjoyed your season just as much as we have. You have made the most of your 2022 membership, whether having the odd 9 holes at night, sociable games with friends, or building towards more competitive play.

Thank you all for your support and patronage of Water Valley Golf club this past season and we look forward to seeing you in 2023.
