Application for Membership

Thank you for your interest in Membership at the Water Valley Golf & C.C.

In order to have the first opportunity at a 2019 seasonal membership at the Water Valley Golf & CC you can reserve your spot on our waiting list with a deposit of \$100.00. This will be subtracted from the cost of your membership when one is offered to you. In the off chance we do not have any available memberships for 2019 we will make sure that you will be offered a membership in 2020. This list helps us keep our waiting list current and a more manageable size.

Each February we will select the new members from this waiting list to fill any open golf memberships.

- A **non-refundable** \$100.00 deposit is required for each family that is applying. There is no need for each member to fill out an application. Junior membership pricing is available to families. Children must be 8 yrs. to 17 yrs. old to become junior members.
- A choice of 3 membership types are currently being offered. You may choose the type of membership that suits your needs. Family members may purchase different memberships types.
- ***This \$100.00 deposit will be deducted from the cost of membership at the time of purchase.***
- If for any reason you need to decline a membership when it is offered to you, we offer a one time opportunity to defer the membership opportunity for one year. If you refuse a membership a second time, this deposit will be forfeited.

Our vision for the club is to have a top quality golf course at prices that are affordable. We take great pride in our golf course as do our members.

All our memberships at the Water Valley Golf & C.C. are **non-transferable** and renewable from season to season at the discretion of the management. Newsletters are sent out in January each year and we offer a substantial early payment discount when you renew. We have several types of memberships available. Each membership is listed on the next page with **2019 Members Pricing**. You can consider the benefits offered by each type and choose the one that best suits your needs when one is offered to you. Members can change the membership type when renewing for the following season. They may also add a spouse or children to their membership upon renewal. Only immediate family members are included in the membership application.

The following page is the current pricing for memberships at the Water Valley Golf & CC. We can not rule out the possibility of price increases but this page will give you an idea of what a membership currently costs.
